SINGLE VMS BRACKET ASSEMBLY INSTRUCTIONS

PN 95925, 95926

Thank you for purchasing a quality VIAIR product! The Single VMS Bracket provides a secure and convenient mounting solution for your VIAIR compressor. Please follow the instructions below for proper installation.

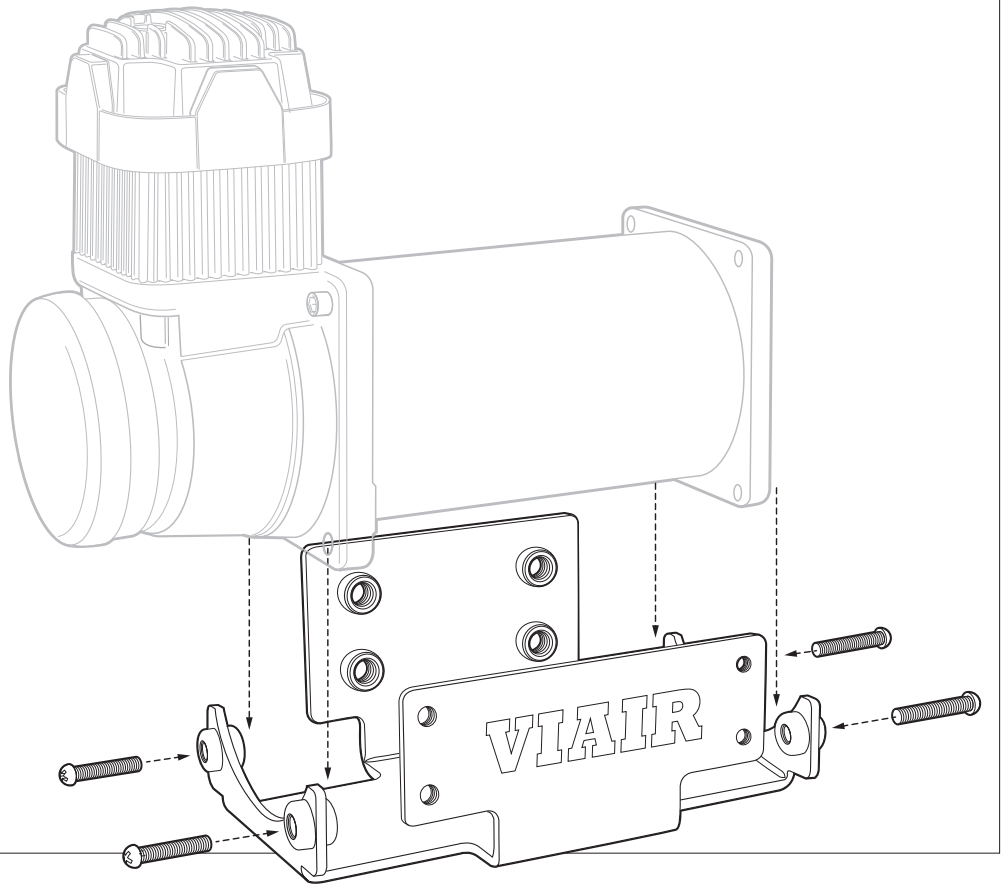

STEP 1

Remove the factory-installed mounting feet and hardware from the compressor as illustrated. Set the mounting feet and hardware aside, as they will not be needed for this installation.

STEP 2

Position the compressor inside the Single VMS Bracket as illustrated, aligning the mounting holes. Secure the compressor to the bracket using the included hardware. Tighten all fasteners securely.
